Dear Family Linherr,

What a lovely house you have.

Everyday it's a pleasure to wake up and look outside and see the lake and the small town Riex, a beautiful view!

We walked up the mountain, and it's so quiet and peaceful here. When

we were walking down the mountain to Riex we had a little trouble going back.

When we arrived in the house we were tired of climbing our way back up.

We had a lovely time, sitting by the fireplace at night, looking outside through the window and see all these lights of the town!

We had a great time & christmas here.

We wish you a happy & healthy 2009!
